Assignment 10: 3-5 pages

Due Tuesday, November 22nd

Answer all questions, though you can devote most of the assignment to one of them.

1. What are the two positions characterized in this diagram and what is the difference between them?
2. Why do both say unconscious perception is rich?
3. Describe one item of evidence for each position.
4. Which position do you prefer and why? Or do you think neither is correct? Justify your answer.
